Wow, we raised \$7,700.00 on this year's event!

Often people ask who we are helping this year and does your charity have a certain cause that we help? The answer is no, we don't always have a child that we focus on for every event. Our children are brought to us some by watching the news, by word of mouth or by someone who knows of a child in need that also knows about our charity. This year again we provided Alondra & Jorge with new suites that they needed so they could go out in the sun light a condition called XP. We have 5 families that we hope to put a smile on their face when we show up with Christmas dinner, clothes and toys for everyone in the family. We feel like any child in need whether it is for a small or large cause is a child we would like to help if able. Beginning of 2009 we want to help bring a better awareness of pool nets to families in providing a couple of these to families & to bringing awareness to all families that children can get past a fence but if a pool net is placed on top of the pool then we should never loose one of our precious children. If you know of a child in need please contact us! We will keep you updated on the children we help and events on our web site [www.DarrellJrsCharity.com](http://www.DarrellJrsCharity.com) that was donated by Paige with Agrestic Solutions& Innovations.

On our web site we have a prize list, a list with the companies that donated to us and our Sponsors listed. We encourage all of our riders and others to use these companies when they go out to dinner, movies, hotel, fly somewhere or need a service. Again we thank you for your taxable donation Non-Profit # 27-0031213. of \$\_\_\_\_\_. Please use this for your taxable donation.

We hope with this letter & our web site [WWW.DARRELLJRSCHARITY.COM](http://WWW.DARRELLJRSCHARITY.COM) all of you that support our cause will have a better understanding of our Charity.

There is a song, What If She's An Angel that reminds me of Darrell, he always helped the homeless children and anyone in need. The main chorus says, "What if he's sent here from heaven makin certain that you're doin your best to take the time to help one another". I believe he's watchin over everyone and would be very proud!

Thank you again for all your support and I hope you will continue to support us next year for our 8<sup>th</sup> Annual Memorial Poker Run!

Warmest Wishes,

Darrell Sr., Cathy Ashford & Jeff & Crystal Newbrough
